## Woods Mill Schools Programme

### Mathematics through the Environment

#### Key Stages 1 & 2

#### Woods Mill, Henfield

**Monday 12 - Thursday 15 March 2012**

Bring your class to Woods Mill Nature Reserve for a day of hands-on mathematics in the outdoors. By taking part in practical activities pupils will be encouraged to develop their mathematical skills in the context of the natural world.

Activities are designed to apply the Primary Framework for Mathematics.

**£6.00 per child, accompanying adults free of charge**

To book please ring Filma Dyer on 01273 497561 or
